

Hatching Eggs For Sale

Hatching eggs are sent out in polystyrene boxes (6) in first class post at a cost of £4 or free collection. If you require your eggs to be sent out by Next Day Delivery (£8.00 for 6 eggs) please state this when placing your order and we will change your bill accordingly. We do offer a 50% guarantee on eggs, if you do not have 50% of your eggs fertile we will replace the infertile eggs, but there are a couple of rules for this to be valid.

1. The infertile eggs must be sent/brought back for validation.
2. They must be returned within 15 days of purchase.
3. The buyer will pay the postage for replacement eggs.

If you require more than 6 eggs please contact me for a postage quote.
