

Poultry Housing & 2nd Hand Items

  	<p>The Needwood house is designed to house up to 8 hens or 10 bantams. It is made of good quality shiplap timber. Coroline roofing is used which does not house redmite. It has 2 nest boxes on the side and perch bars inside. The large back door enables easy cleaning.</p>	<p>£240</p>
 	<p>Hanbury House. This house is on stilts leaving a covered area underneath for the hens to hide in the shade. The access to the house is by a ramp at the front and has a large back door for cleaning. This house would hold 6-8 birds.</p>	<p>£285</p>

The Rangemore house is a nice little basic house for 3 hens or 4 bantams. It has a lift up lid for cleaning purposes and a bob hole at the front for the birds to get in and out.

£125

This house is an ex-display model. Originally £265. This house will hold up to 8 hens or 10 bantams. There is a separate nest box on the side with external access for getting the eggs. I also opens at the side for cleaning. Needs a wipe down as been sitting outside.

£220

Wicker carry case, would take up to 8 birds. Second hand but in good condition. Lined with hessian sack material.

£10
